

Students Feedback Analysis (2023-2024)

The link of the feedback form was shared with the students of various courses viz. M.Com, B.Com, BBA, B.Com (Financial Services), BCA, B.Sc (Economics), PG Certificate Course in GST, PG Diploma in Web Designing and Diploma in Computer Animation. Most of the students were satisfied with the various aspects of the teaching like coverage of the syllabus in time, course content, various teaching aids used, communication and interpersonal skills of the teachers etc. The responses of 587 students have been summarised.

Suggestions from students:

- Using chalkboard while explaining the concepts for capturing the attention of the students who find listening monotonous.
- Assigning the written assignments for strengthening the communication skills.
- Conducting the doubt-clearing sessions more frequently.
- Incorporating the self-study / library periods and sports periods in a regular time-table.
- Integrating ICT with chalk and talk method.
- Collaboration of the institution with the different companies for equipping the students with professional skills.
- Discussing the real case studies in the class to make the topics more understandable.
- Addition of reference books in the library.
- Conducting on the spot quiz rather than online quiz for different subjects.

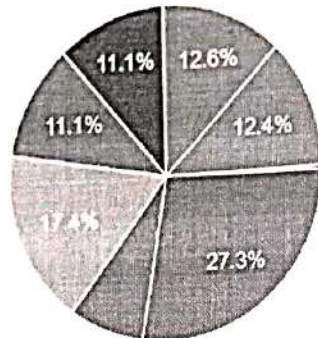

Action Taken:

- A staff meeting was conducted and presided over by the Principal wherein she emphasised on the need of making more use of ICT and digital platforms to enhance the learning experience of the students.
- The college has signed MOUs with AOSC India Pvt. Ltd. for career guidance, internships and placements of the students.
- A library visit was arranged for the new undergraduate students to help them become familiar with the variety of books, magazines, journals and e-resources available.
